Dog Biscuit and Cat Treat Recipes

Make sure you have an adult supervising you and read the entire recipe before you start.

Dog Biscuits

If there are any allergies - you can substitute 2 teaspoons of chicken or beef bouillon granules (not cubes).

Ingredients:

1 cup	Whole wheat flour
¾ cup	Nonfat powdered milk
½ cup	Rolled oats
¼ cup	Cornmeal
1/3 cup	Creamy peanut butter
½ cup	Hot water

Directions:

- Combine dry ingredients and add in peanut butter until mixture resembles coarse crumbs.
- Add hot water slowly and stir until dough is a manageable consistency.
- Create treats in any shape and size you want! But be careful, if they are too thick, they won't dry completely.
- Leave the treats out to dry. They should be firm and dry to the touch when they are done.
