No-Sew Cat Fleece Beds

Kids love making these beds for the cats to enjoy. Here are the directions for this quick and easy project.

Items you will need:

- Two pieces of fleece fabric (1/3 yard each)
- Fabric scissors
- 4" x 4" piece of paper

Directions for assembly:

- Take the two pieces of fleece and put one piece on top of the other, lining up the edges so they are even.
- Trim off any extra material around the edges of the fleece. Remember, you need to try to cut straight, but it doesn't have to be perfect.
- Take the 4" x 4" piece of paper and lay it on the corner of your blanket.
 - Then cut out the corner through both layers.
 - Do this on all four corners.
 - This is a way to ensure the corners of the blanket are even.
- Now you are ready to cut your pieces of fringe that will tie the two pieces of fleece together into one blanket.
 - Cut 4" into both fleeces at 1" wide.
 - Proceed to cut 1" intervals on all four sides
- Starting on one side and using one piece of fringe from each piece of fleece, tie using basic hand knots. Tie these knots on every piece of fringe around the entire blanket.
 - Tie the knots so they are at the base of each piece of fringe
 - This keeps both pieces of fleece together and creates the no-sew blanket
